DELUXE

GAME HIGHLIGHTS

Devil's Link is a multi-progressive slot game featuring four unique games, offering the chance to trigger Free Games rounds or the Bonus Link, each with a guaranteed special feature.

FREE GAMES WITH EXPLOSIVE EXPANDED WILDS

The flames ignite when three or more scatter symbols land, entering a Free Games round with five free spins. Expanded Wilds can appear, transforming one or more symbols into massive Wilds up to 3x3 in size. And the excitement doesn't stop there! Three or more scatters can retrigger additional Free Games, while one or more link symbols can activate the Bonus Link feature for even bigger wins.

HELLISH BONUS LINK WITH GUARANTEED MULTIPLIERS

The real inferno begins when the Bonus Link feature is triggered by landing one or more link symbols in the base game or Free Games

round. Each link symbol powers up the devil and its pendant, making him stronger as the ground cracks beneath its feet, revealing molten lava—until it all erupts, launching the Bonus Link feature! A multiplier frame (x2, x3, or x4) is automatically assigned to a position, waiting for a link symbol to activate it and multiplying the credits of that link symbol. By mystery, the multiplier frames can increase their value up to x8 and add more multiplier frames.

And if you run out of spins? The devil might give you an extra link symbol, awarding three additional spins to keep the fire burning.

During the Bonus Link, landing a Wheel Symbol triggers a giant jackpot wheel, giving you a chance at winning the MEGA or SUPER jackpot. You only need one symbol to claim the Minor or Mini jackpots!

MAIN FEATURES

FREE GAMES WITH EXPANDED WILDS

During Free Games, Wild symbols can expand into giant Wilds of different sizes: 2x2, 2x3, 3x2, or 3x3.

BONUS LINK WITH MULTIPLIERS

The Bonus Link always features at least one active multiplier frame (x2, x3, or x4), which can increase by mystery up to x8.

PROGRESSIVE JACKPOTS

The MEGA and SUPER progressive jackpots can be won through a giant jackpot wheel, which you can activate directly from the screen.
