

# FAIRYLAND QUEST™

## UNLEASH THE MAGIC OF THE FAIRY FOREST!

FEATURED ON  
**CONCEPT**  
PRIME

### GAME HIGHLIGHTS

#### 6 BONUS LINKS WITH 3 COMBINABLE FEATURES

In a mysterious enchanted forest, there are two magic mushrooms: the lilac one that possesses the power to “multiply” and the red one that grants up to 3 extra lives. Both mushrooms grow in size with each Lilac or Red Link symbol, and when they reach their peak, you trigger a Bonus Link with one or both features combined. Any Bonus Link can be further boosted by a magical “Double” feature from the fairy, activating a second independent 15 position window.

#### MEGA AND GRAND MEGA!

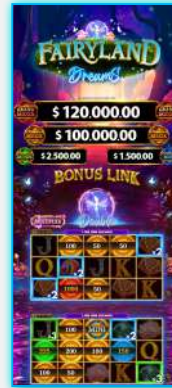

In this game, there is not just a Mega but a Grand Mega! With 15 Link symbols, a giant wheel is activated where the player can win the Mega jackpot or even better, the Grand Mega! Only one symbol is needed during the Bonus Link to win the Minor and Mini jackpots.

### MAIN FEATURES

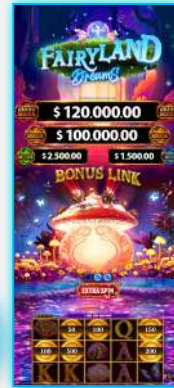

#### MULTIPLIER

One or more Lilac Link symbols can activate the Bonus Link. Get a Link symbol in one of the 3 multiplier boxes and increase your prize by x2, x3, or x4!

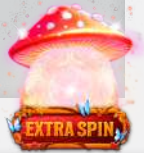

#### DOUBLE

The fairy will mysteriously add the additional “Double” feature to any Bonus Link, which involves a second set of reels appearing, allowing players to play a second bonus simultaneously.

#### EXTRA SPIN

One or more Red Link symbols can activate the Bonus Link. During the bonus, players receive three additional spins, extending the bonus rounds.
