

GODDESS SAGA™

UNLOCK THE POWER OF THE GODDESSES!

GAME HIGHLIGHTS

BONUS LINK AND FREE GAMES WITH SPECIAL WILDS & MULTIPLIERS!

Across distant lands and mythical times, three powerful goddesses reign—one from the empires of Persia, another from the northern world of Vikings, and the third from ancient Egypt. In Goddess Saga, their legends come alive across three game titles on a 4x5 reel array, where every spin offers the chance to unlock Bonus Free Games and an exciting Bonus Link. This is more than a game—it's a journey of power, myth, and sacred fortune. Land 3 or more scatter symbols to trigger Bonus Free Games, which include Fixed Extended Wilds on the 1st and 5th reels (Persian), and Extensive Multiplier Wilds x2 on the 3rd reel (Hathor and Viking).

Trigger the Bonus Link with four or more Link symbols, featuring 2 additional special rows and 3 initial spins. These special rows can contain fixed credit values—including Mini and Minor Jackpots—or multiplier values. Each new Link symbol that lands applies the special row values, enhancing the bonus.

MEGA AND SUPER — GRANTED BY THE GODDESSES!

Mega and Super are won with one corresponding symbol in the 4x5 grid, instantly awarding these divine jackpot prizes—granted by the goddesses themselves.
