

HAUNTED FORTUNE™

DISCOVER THE HAUNTED MANSION AND ITS CUTEST GHOSTS!

GAME HIGHLIGHTS

THE PERFECT TRIO: FREE GAMES, PICK BONUS & THE “HAUNTED BONUS” EXPERIENCE!

Step into Haunted Fortune, the thrilling multi-game packed with not one—but three bonus features: Free Games, a picking bonus—where you can win the jackpots—and the chillingly fun “Haunted Bonus”.

HAUNTED BONUS: Triggered by three or more scatter symbols—or even by mystery with just one scatter—this feature kicks off with 8 Free Spins and a unique bonus round featuring 4 sets of 3x2 reels, with one reel set active at the start. During the bonus, Coin and Lock symbols award credit prizes, which the Multiplier symbol can double. If a Lock symbol lands on an inactive reel set, the ghost moves to that set, activating it. Collect 3 same-colored Lock symbols to unlock a ghost and an additional reel set. The player can unlock all 4 reel sets and all 4 ghosts—for a truly chilling experience!

FREE GAMES: Triggered by mystery with one or more Blue Wild symbols. Players are awarded 6 free spins and 3 Sticky Dancing Wild symbols, which shift positions with every spin. During the free games, players can collect additional Sticky Dancing Wilds, increasing potential winnings significantly.

JACKPOT BONUS: Triggered by mystery with one or more Purple Wild symbols. This is a pick-style bonus, where the player can win any of the game’s 5 jackpots by revealing 3 matching jackpot symbols. Additionally, there are two extra mystery prizes: one that upgrades a jackpot symbol, and another that doubles the MINI jackpot if the player collects 3 MINI jackpot symbols.
