## GAME HIGHLIGHTS

### 7 COMBINABLE FEATURES, 99 DIFFERENT BONUS!

Rainbow Birds is an exciting new multi-game launched with two titles: Rainbow Birds Day and Rainbow Birds Night. It has got 7 combinable features, creating up to 99 different game modes! With 3 or more scatter symbols, you unlock the Free Games bonus, starting with 10 free spins and as many features as the scatters that triggered it. You will be able to activate the Respin, which will give you more scatters, and therefore, start the Bonus with even more little birds/features. Each scatter symbol is linked to a specific bird/feature:

**DOBLO:** Multiplies any line win by x2, x3, or x4, which applies to both line prizes and coin symbols on each spin.

**LARGE:** or Battling Wilds: This feature expands the wild to cover the entire column, revealing two different multipliers, one of which is randomly selected.

**VIP:** The game is played with only High Symbols, which means the prizes are automatically higher.

**COMBO:** Adjacent reels combine to form a Big Symbol, either 2x2 or 3x3 in size.

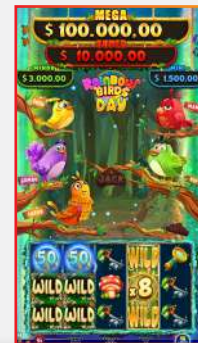

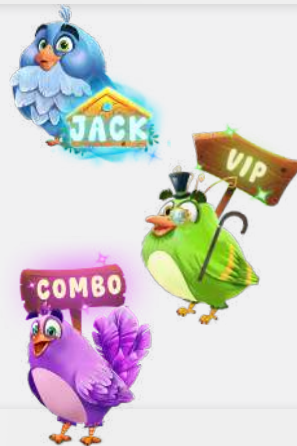

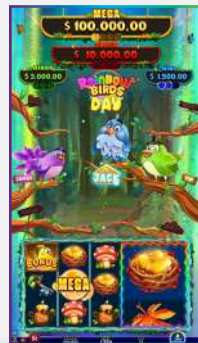

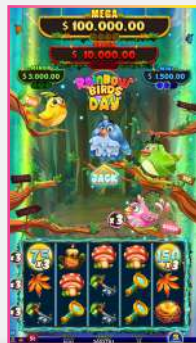

**MANY:** This feature adds extra Wilds to the reels.

**COIN:** Each coin symbol directly pays the credits displayed.

**JACK:** The player can win one of the 4 jackpots. You need 3 symbols to win the MINI or MINOR jackpots, and 4 to win the SUPER or MEGA jackpots.

During the free games, you can win extra free spins. Additionally, more birds/features can be activated. This creates an exceptionally dynamic, varied, and fun bonus round experience.
