

# WONDER DREAM™

JOIN TWO KIDS AS THEY UNCOVER HIDDEN WONDERS!

## GAME HIGHLIGHTS

### TWO SIMULTANEOUS FREE GAME ROUNDS WITH EXTRA FEATURES ACTIVATED!

Wonder Dream is a 3x5 reel game with 3 pots, each linked to a unique feature: the red "BLAST" adds coins or triggers the Mini or Minor jackpots, the blue "INCREASE" boosts the credits on all coins in a mystery way, and the green "MULTIPLIER" multiplies all the coins on the screen. Trigger one or more of these features and enjoy two separate, simultaneous free game rounds (two 3x5 reel sets). With 1 accumulator, you'll get 6 free games; with 2, you'll get 9 free games; and with 3, you'll get 12 free games.

Each round keeps the feature it was activated with, and additional features can be triggered during the free games, as every reel set has its own 3 pots. Each octagonal coin activates a different feature based on its color:

"Blast", "Increase", or "Multiplier". The circular coins award credits and fill the corresponding accumulator, which may or may not trigger additional features in the free game round. The central figure (the boy and girl), which also acts as a wild symbol, stays active and will always win all credits and/or jackpots hidden by any coin that lands in that position.

Extra features can be activated if the three features are not triggered from the base game. In that case, the game will award +3 free spins.

### WIN JACKPOTS IN FREE GAMES!

Now, winning jackpots is easier than ever: all it takes is one symbol during the free games to unlock any of the 4 jackpots: MEGA, SUPER, MINOR, or MINI.
