

# BRAVE DRAGON™

## PICK YOUR LUCK AND BRING DRAGONS TO LIFE

FEATURE ON  
FANTASY

### GAME HIGHLIGHTS

#### 3 BONUS LINKS WITH COMBINABLE FEATURES AND MAXIMUM INTERACTION!

Brave Dragon is a multi-game slot featuring three combinable metamorphic features, each represented by a dragon egg—fuchsia, red, and blue. Each egg corresponds to a unique Bonus Link: “BONUS BOOST”, “BONUS MULTIPLIER”, and “BONUS RISE”, respectively.

To trigger any Bonus Link, one or more Link symbols must land on the reels. The game also features a powerful Lucky Cell, which players can manually move each spin during the base game. If a fuchsia, red, or blue coin lands in the Lucky Cell, it automatically triggers the corresponding Bonus Link.

Players can unlock up to three simultaneous bonus rounds, each with its own dedicated reel set. These bonuses can interact, reactivate, and combine features via the Lucky Cell—delivering fast-paced action and an exciting, dynamic gameplay experience.

#### CHOOSE WISELY TO WIN THE SUPER OR MEGA JACKPOT!

During any Bonus Link round, landing a single MEGA or SUPER symbol in the Lucky Cell awards the corresponding progressive jackpot. The MINI and MINOR jackpots can be won by landing their symbols anywhere on the reels.

### MAIN FEATURES

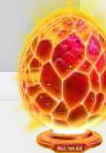

#### BOOST

When the fuchsia dragon appears, it boosts the value of some LINK symbols on screen. If it lands in the Lucky Cell, the BOOST feature is applied to one of the other active bonus links.

#### MULTIPLIER

When the red dragon appears, it adds one or more multiplier frames. Landing again on an existing frame, increases the multiplier. If it lands in the Lucky Cell, the MULTIPLIER feature is applied to another active bonus link.

#### RISE

When the blue dragon appears, it transforms into a coin symbol whose value increases with each spin. If it lands in the Lucky Cell, the RISE feature is applied to one of the other active bonus links.
