

FANTASY MINE™

EXPLORE THE FANTASY MINE AND DIG FOR RICHES!

GAME HIGHLIGHTS

BONUS MINE WITH THRILLING WAGON FEATURE!

Deep beneath the surface, a hidden world of diamonds and precious gems awaits. In Fantasy Mine, explore 4 exciting game titles as you dig through layers of fortune and rewards. Landing 6 Diamond symbols activates the Bonus Mine feature with 10 initial spins.

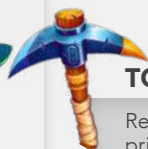

During the Bonus Mine, Tools require two hits to reveal prizes across simple, cross, row, and column patterns. Diamonds award credits and increment their value when the Tool lands on them, increasing your potential winnings. Alarm Up Symbols add the values from the top row to the Wagon and shift cells up by one position, often including Extra-Spin symbols to extend your play.

The Alarm Golden Up Symbol works similarly but adds an extra row of rocks at the bottom. At the end of the Bonus Mine, the Wagon Feature is triggered. Wagons full of prizes will appear, revealing either credit values or/and Jackpot prizes — including the Super and Mega, which could appear on the last wagon!
